

Gold Coast Greyhounds Adoptions Inc. Volunteer and Foster Home Agreement

I agree to volunteer and to foster greyhounds at my own risk and liability. I agree to hold harmless Gold Coast Greyhound Adoptions Inc. (GCGA) for any physical or bodily harm to myself or any of my family members. I understand that my home and yard may sustain damage ranging from minor to severe. It is my responsibility to supervise the greyhound at all times so as to prevent physical, bodily or damage to my home and property or anyone else's home and property.

It is my responsibility to report any problems to Gold Coast Greyhound Adoptions and seek to resolve those problems. Gold Coast Greyhound Adoptions will take the dog back at any time during the volunteering and fostering period at the request of the volunteer and foster home or when the dog is adopted. It is the responsibility of the volunteer and foster home to make these arrangements with the GCGA foster home coordinator.
